

ABHS Corporate Meeting, 2015

12 November 2015
Doubletree Hilton
King of Prussia, PA

Treasurer Shirley Fair convened the annual meeting of the American Baptist Historical Society. She conveyed the regret of President Garth Brokaw, who was attending his daughter's wedding. Executive Director Deborah Van Broekhoven also provided a brief report on the range of the Historical Society's collections on mission work around the world and the need for all supporters to assist in gathering documents about that ongoing work today. She noted that the Society's major gifts campaign, At Your Fingertips, when successful, will allow ABHS to hire a digital archivist to provide guidance to ABC and ABHS staff in their efforts to preserve electronic (only) documents. The corporate members voted "yes" to approve four-year terms for the following managers: William Frederickson, Heidi Holmstrom, Everett Goodwin, John Douhan, and Jonathan Malone. They also voted "yes" to approve new two-year terms for the following officers: President Garth Brokaw, Vice President Beverly Mitchell, Secretary John Douhan, and Treasurer Shirley Fair.
