“I Have Called You Friends” will help pastors and stewardship leaders design a giving campaign. The magazine offers a series of four worship services—including sermon ideas and songs—that teach the beauty of the offering and invite people to consider their future giving. The magazine, which sells for \$9/copy, includes outlines for three services. The fourth is available on the Ecumenical Stewardship Center website: www.stewardshipresources.org. The program resources in the magazine can be photocopied. Theme materials (listed below) are available to coordinate with the magazine. Prices do not include shipping and handling.
