### Fall Meeting & Latino Summit

In September 11-12, 2014, the Hispanic Caucus partnered with our national bodies (IM, MMBB and ABHMS) and other regional ministries meet in Los Angeles, Ca. to launch Vision 20/20. The purpose of the gathering was to strategize for future collaborative work among our Latino churches. We discussed issues on immigration reform, church planting and Baptist identity. We also made plans for our participation in the Kansas Mission Summit in 2015.

In order to give follow up to the summit we held a conference call meeting on January 16, 2015.

Also, we will have a meeting in Miami, Fl. next 26-27 of May, 2015 in order to present a strategic plan to our brothers and sisters in our biennial meeting, in conjunction with ABHMS latino office directed by Rvd. Salvador Orellana.
