2. Documents

Mission Statement: To help the homeless, widow, single mom, orphan with transitional housing until a permanent solution can be obtained. (Usually one year)

Budget: \$12,000-\$15,0000.

3. Use of funds: I have a house. I trade the homeless labor for rent. The funds from ABCUSA would go toward them earning the cost of their utilities. The church has two acres and a large church building. There is always yard work, painting, maintenance, etc. that needs doing. The homeless would work and the funds would pay their utilities. Work would give them dignity, a place to live, and time to get on their feet. Grants would be at a minimum with work for benefits as the goal. Since the Oso landslide in Darrington there has been an increase of homelessness and near homelessness. I am afraid some are only a paycheck from eviction.

4. Total cost of the project: Utilities are: Water and trash: \$125/mo, Power \$150/mo, cable \$75.00/mo, Phone \$75.00/mo. Total: \$5100/year

5. Grant Request: \$5000

6. Other funding: Our Social Security

I certify that all the information subbimitted with this application is true and correct, and that we will use any granted funds as described. We will supply a one page report on the use of the funds and a photo within 6 months of receipt of the grant.
