

ABCUSA MATTHEW 25 GRANT APPLICATION - 2017

A generous donor has given a sum of money through American Baptist Churches USA Office of the General Secretary, to be used for programs that address "housing, feeding, education and health with regard to the less fortunate." A panel will select recipients for grants of up to \$5,000. Awards will be granted only to ministries of an American Baptist church in good standing with their Region. This is a change from previous grant cycles. We will no longer award grants to organizations affiliated with churches such as a cooperative group that includes non-ABC churches; applications must be submitted by an ABC church for work being done directly by that church.

Only one application per church will be considered within a 24-month period. Because this change was made following the Fall 2016 cycle, recipients of a Spring 2016 grant are eligible to apply.

Grant funds may not be used to fund staff positions, rainy day funds, church benevolent funds, regular ongoing church operating expenses (i.e. utilities, insurance), repairs, or for capital improvements to facilities. Grant awards will be sent to the ABC church that is applying for the grant; checks will not be made payable to an individual or ministry.

Instructions and information for completing the 2017 ABCUSA Matthew 25 Grant application

1. General information

Awards will be granted only to ministries of an American Baptist church in good standing with their Region. This is a change from previous grant cycles. We will no longer award grants to organizations affiliated with churches such as a cooperative group that include non-ABC churches; applications must be submitted by an ABC church in good standing.

When determining Grants awards, the following criteria will be considered: whether the church is in good standing within the region; whether the church contributes to United Mission; number of and amounts of previous Matthew 25 Grants received; sustainability of ministry beyond Matthew 25 Grant funding; description of ministry and needs addressed by funding; and the budget submitted along with this application.

Checks will be made payable to the church. Checks will not be made to an individual or ministry.

3. Specifically, how do you plan to use the requested funds?

Briefly describe what will be purchased with the grant funds if awarded. Be specific with the expected use of these funds. This should be a very short and specific statement on where the money will be spent, do not include a lengthy narrative of the ministry project.

You are encouraged to provide a longer description of the ministry but this additional information must be limited to no more than one page in length and submitted as an attachment.
