

ABCUSA MATTHEW 25 GRANT APPLICATION

A generous donor has given a sum of money through American Baptist Churches USA to be used for programs that address “housing, feeding, education and health with regard to the less fortunate.” A panel will select recipients for grants of up to \$5,000 largely based on the degree to which the funds will be used to *directly assist persons in poverty*. Ministries must be in a direct relationship with American Baptist Churches USA to be eligible to apply, and only one application per church or Region will be considered per 12 month period. Grant funds may not be used to fund staff positions or for capital improvements to facilities. Grant awards will be sent to the ABC church or Region, checks will not be made payable to an individual or ministry.

The First Baptist Church in Jamaica Plain, MA
Grant Round: March 1, 2016

Please submit with your application a copy of your mission statement:

*We are a Christian community of many cultures, one faith!
Unified in our diversity and strengthened by the Holy Spirit,
We gather together in worship, witness and service,
To glorify God and follow the example of Jesus, the Christ's, inclusive love.*

Specifically, how do you plan to use the requested funds?

How will the funds assist individuals battling poverty and its effects?

First Baptist Church in Jamaica Plain is a small but growing urban, multi-cultural, intergenerational, welcoming and affirming congregation. We are located in the heart of a vibrant, diverse Boston neighborhood. Because of our central locale, many people enter our doors seeking assistance, both spiritual and physical. Despite the fact that our building burned in 2005 our economically varied congregation has continued to provide countless folks in immediate need with grocery cards, bus passes, and subway passes from our Communion Fund. We continue to be amazed at the response we receive when the passes become available. Passes are distributed to homeless congregation members, residents of the South Street Affordable Housing Complex, and elderly neighbors living off a fixed income, who come asking for a little bit to help them make it through the month.

For the last three and a half years, we have run a weekly lunch for seniors on Saturdays and a Wednesday night dinner which is often shared with indigent friends. In these programs (and with the food pantry run by our neighboring UU church) we feel we are able to assist with food needs for our community. It has been our experience, however, that it is much more difficult for our neighbors in poverty to have adequate access to transportation. Most do not have cars, and although Boston is known for its public transportation, it has increased in cost over the years. A trip on the subway or bus ranges from \$.80 to \$2.50 depending on the kind of ID one holds. When a person is trying to get from shelter to job, or from social service agency to social service agency, or from home to the hospital, these fares add up.

We would very much like to offer transportation assistance to those in our community who are often forced to make choices between which bills get paid, or between eating and going to the doctor. A monthly bus pass costs \$50 (Disability/Senior pass is \$29). It is much cheaper per ride if a person has a "Charlie card" or refillable pass. The pass we provide is plastic and reusable from month to month, giving the individual an opportunity for less costly rides in the future. With the help of the Matthew 25 grant, our church would be able to provide transportation for 15-30 people a month over a six month period. Some of the folks who would benefit from this program include Brian, who would be able to get back and forth to the doctor without worry. Mary would be able to look for work and attend job interviews. Betty could at least ride a warm bus around town and not have to sit all day on a cold bench outside the post office. Tony can bring food to his partner and child who stay in a shelter across town. This program continues to keep the church in contact with those most in need of our assistance.

Receiving this grant would allow us to use our limited communion funds for the other items that are necessary in life (food, medicine, shelter) while we provide a vital service—access to transport—to our neighbors who struggle day in and day out with the very painful reality of what it means when there is 'not enough.'

Thank you for your consideration.
