University Baptist Church Loaves and Fishes Ministry  
Minneapolis, MN

Thank you for considering our application for a Matthew 25 Grant. Our congregation has been active in a feeding ministry for the past twenty years. Every fifth Friday, 25 volunteers gather to purchase, cook, serve and clean up for a free meal for the homeless and hungry in the Minneapolis community. The feeding program is called Loaves and Fishes. Different churches and community groups take turns serving these dinners five nights per week. This fits right in with our mission statement as a congregation which is:

*To be a loving and inclusive community;  
Seeking faith, joy, action;  
Nurtured by the Biblical tradition,  
The teachings of Christ,  
And God's continuing revelation.*

This ministry is led by our congregation President, Steve Lee and takes place at St. Stephen's Church. All of the people who serve and cook the meals are volunteers. We have funded this through our church budget and donations. We know that over the years, people have put a lot of their own money into this project and have not asked for reimbursement. In a time when our budget is stretched, we are looking for better ways to fund this important ministry. Having this grant money will free us up to imagine different ministry opportunities.

We do this ministry four to five times per year.

We have developed a fine menu that the guests really like. We serve a hot meal of chicken, corn, bread, fruit, cookies, coffee, juice and milk.

Here's a breakdown of our expenses for the January 31, 2014 Loaves & Fishes. The dollar amount fluctuates from time to time, but the mix of expenses is fairly stable.

Bread	31.23	8.3%
Milk, cookies	73.64	19.5%
Pears, corn, apple juice	84.56	22.4%
Breadcrumbs, flour, butter	60.58	16.0%
Chicken	128.00	33.9%
Total	378.01	

At the University Baptist Church Loaves and Fishes Ministry, we serve a hot meal to everyone who shows up. Our long run average number of guests served is 234, over the past three years that has dipped to 193. On occasion we have served over 350 meals. If we have leftovers, people get seconds and can take some food to go.

While this program does not necessarily do anything to change systemic poverty, it does provide a hot nutritious meal for hungry people without judgment. We know that it is the only meal of the day for some of our guests. Having a full belly makes it possible for guests to have the ability to find a job or relieve the stress in their lives which accompanies poverty. This fits in with the command of Jesus, "I was hungry and you gave me food, I was thirsty and you gave me something to drink." (Matthew 25:35)

Thank you very much for your consideration.
