

## ABCUSA MATTHEW 25 GRANT APPLICATION - 2017

A generous donor has given a sum of money through American Baptist Churches USA Office of the General Secretary, to be used for programs that address “housing, feeding, education and health with regard to the less fortunate.” A panel will select recipients for grants of up to \$5,000. Awards will be granted only to ministries of an American Baptist church in good standing with their Region. This is a change from previous grant cycles. We will no longer award grants to organizations affiliated with churches such as a cooperative group that includes non-ABC churches; applications must be submitted by an ABC church for work being done directly by that church.

Only one application per church will be considered within a 24-month period. Because this change was made following the Fall 2016 cycle, recipients of a Spring 2016 grant are eligible to apply.

Grant funds may not be used to fund staff positions, rainy day funds, church benevolent funds, regular ongoing church operating expenses (i.e. utilities, insurance), repairs, or for capital improvements to facilities. Grant awards will be sent to the ABC church that is applying for the grant; checks will not be made payable to an individual or ministry.

## **Instructions and information for completing the 2017 ABCUSA Matthew 25 Grant application**

### **1. General information**

Awards will be granted only to ministries of an American Baptist church in good standing with their Region. This is a change from previous grant cycles. We will no longer award grants to organizations affiliated with churches such as a cooperative group that include non-ABC churches; applications must be submitted by an ABC church in good standing.

When determining Grants awards, the following criteria will be considered: whether the church is in good standing within the region; whether the church contributes to United Mission; number of and amounts of previous Matthew 25 Grants received; sustainability of ministry beyond Matthew 25 Grant funding; description of ministry and needs addressed by funding; and the budget submitted along with this application.

Checks will be made payable to the church. Checks will not be made to an individual or ministry.

### **3. Specifically, how do you plan to use the requested funds?**

Briefly describe what will be purchased with the grant funds if awarded. Be specific with the expected use of these funds. This should be a very short and specific statement on where the money will be spent, do not include a lengthy narrative of the ministry project.

You are encouraged to provide a longer description of the ministry but this additional information must be limited to no more than one page in length and submitted as an attachment.

Please note that grant funds may not be used to fund staff positions and salaries, for capital improvements to church facilities, to pay for regular ongoing church operating expenses (i.e. utilities, insurance) or repairs, or to maintain a "Rainy Day fund" or church benevolent fund.

**4. How will the funds assist individuals battling poverty and its effects?**

Describe how the Matthew 25 grant funds will benefit those less fortunate. What effect and impact do you hope to have on individuals battling poverty or the community you are hoping to serve?

**5. Total cost of the project**

List the total amount of this project or ministry need.

**6. Amount being requested from the ABCUSA Matthew 25 Grant.**

One application per church will be considered per 24 month period. Because this change was made following the Fall 2016 grant cycle, applicants who received funding in Spring 2016 are eligible to apply for the Fall 2017 grant cycle. The maximum amount awarded is \$5,000. If you have previously been a Matthew 25 grant recipient, you must have submitted a follow-up report in order to be eligible to reapply.

**7. Your other funding source(s).**

List all other sources providing funding for this ministry.

**8. Please submit with your application a copy of:****- Your mission statement**

Include as an attachment a copy of the church or ministry's mission statement.

- You certify that all information submitted is true and correct;

# PUNCH / First Baptist Church Green House Garden

**Mission: Plant and grow sustainable fresh food available for FREE to all of the inner city neighborhood for an extended growing period. Use the facility to teach kids and parents how to plant their own container gardens for fresh herbs, lettuce, etc. and have them help plant starter plants for the spring gardening.**

PUNCH received a Hoop House or Green House in the fall of 2016 from the USDA through one of its churches (Third Missionary Baptist Church). The only location available to put this Hoop House with both water and electricity available was on the property of First Baptist Church next to the current PUNCH Neighborhood Outdoor Garden.

We were supposed to receive funds with the actual structure to help build and prepare it for use. But as of today, that has not been the case. Our PUNCH churches and local businesses have stepped up to help us complete the build on this mission for a total to date of \$8,000.00 donated. Below are pictures of the completed structure.

Now we are in need of additional funds to purchase the planting materials to use on the planting tables we have installed in our Green House. We also need funds to purchase ventilation equipment for the structure.

This project has already seen much of the neighborhood coming to collect produce grown and to thank us for this fresh food that saves them money on their food budgets. So far this year, we have grown and shared with the community: green beans, snap peas, tomatoes, green onions, radishes, carrots, peas, cucumbers, squash, lettuce, collard greens, and turnips. We will also be planting some winter greens, as we have for the last two years.

We have been able to supply fresh vegetables to 100 families or more this summer and still have produce to be harvested. We want to extend the time of the available for fresh vegetables and have somewhere to educate kids, parents, and neighbors on how to grow, harvest, can or freeze their own vegetables.

Green House next to outside garden - we have tripled our garden this year with the addition.
