MISSION STATEMENT

The Food Share Ministry of First Baptist Church seeks to provide fresh, healthy, and nutritious food for our members and those in our local community who are in need. The Food Share Ministry is compelled to combat hunger and the lack of access to quality food as a central component to our calling as Christians. Our ministry is guided by the ethical mandate of Jesus Christ in Matthew 25:35 who said, "For when I was hungry and you gave me food, I was thirsty and you gave me something to drink."

PURPOSE

The requested funds will be used to provide nutritious food to individuals and families who do not have sufficient resources to purchase it themselves – specifically senior citizens, the unemployed and single parents in our congregation and local community.

Providing food to these low-income households, frees up finances which can be spent for other products or services. This assistance will help families battle poverty.
