IM Announces 2013 Theme and a Variety of Experiences to Celebrate 200 Years

VALLEY FORGE, PA (ABNS 2/6/13)—In 2013 American Baptist International Ministries (IM) will honor what God has done internationally through American Baptists over the last 200 years by renewing its commitment to Christ's mission in the future. Under the theme, "EMBRACE THE CAUSE," IM will both celebrate 200 years of God's blessing and guidance, and also seek God's renewal and guidance for a third century in mission service.

IM's educational materials, events, trips and activities throughout the year will be grounded in the mission contained in God's promise to Abraham, "All the families on earth will be blessed through you" (Genesis 12:3 NLT).

"We hear God's invitation to new life in Christ as a gift," comments Stan Slade, IM's associate executive director for program. "We hear it also as a calling: to glorify God in all the earth by crossing cultural boundaries to make disciples of Jesus Christ. IM joins with churches and partners throughout the U.S. and Puerto Rico, and with partners around the globe to embrace this cause. We re-affirm our desire to be used by God to bless all the families of the earth."

American Baptists -- with Baptists everywhere -- are currently celebrating the bicentennial of Ann and Adoniram Judson's entry into mission service. After 200 years, they are still outstanding examples of what it means to embrace the cause. The Judsons sailed from Salem, MA in 1812 and began their work in Burma in 1813. These courageous servants of God endured great hardships to bring Christ to the peoples of Burma. God used them not only to produce great fruit in Burma, but to inspire many Americans to pray, give and go, as they embraced the cause to which the Judsons dedicated their lives.

The cause to which the Judsons so sacrificially gave themselves continues today. As American Baptists celebrate our rich heritage in mission, we are called to embrace that cause in new ways in our own time. Throughout 2013, IM will be seeking in a variety of ways to help American Baptists embrace the cause:
