Annual Report of  
MZ Community Corporation, Inc.

Formed through Mount Zion Baptist Church, a 137-year-old church with a rich history of community servitude, MZ Community Corporation's mission is to serve the residents of Newark, New Jersey and its surrounding communities in ways that contribute to societal wholeness and familial health as it relates to educational, physical, financial, and emotional needs.

The Matthew 25 grant funds will be utilized for the following:

MZ Community Corporation, Inc., located at 208 Broadway, Newark, New Jersey, in partnership with and on behalf of Mount Zion Baptist Church is seeking the Matthew 25 grant from ABCUSA to fund upgrades for its free Food Pantry for needy families. The purpose of the grant is to purchase commercial refrigeration equipment to increase food storage capacity and to purchase more food for distribution, to purchase bagging supplies for the Food Pantry, as well defraying transportation costs associated with food pick up and delivery to the Food Pantry.

The Lower Broadway neighborhood where Mount Zion Baptist Church's Food Pantry is located has a high concentration of poverty. According to the 2010 census, Mount Zion Baptist Church is located in an area where the poverty rate for families is 31.0% and for families with children 40.7%. The unemployment rate is 19.3%. Additionally the Food Pantry serves many persons who are homeless.

Our proposal is for \$5,000 with the following breakdown: \$1,500 of the grant to be allocated toward commercial equipment upgrades (e.g. commercial refrigeration). We propose \$2,500 be allocated for the purchase of additional food. \$500 will be allocated for the purchase of Food Pantry supplies (i.e. plastic bags and storage containers). With the final \$500 allocated toward the monthly truck rental to pick up food purchased from the Community Food Bank. These funds will assure increased food distribution to some of the most vulnerable within the community.

Allocations made possible through this \$5,000 grant will allow increased efforts to acquire nutritious, supplemental food for needy families and individuals in the Newark and expanding throughout New Jersey. Food distribution includes perishable (fresh and frozen) and non-perishable food items.

Formed through Mount Zion Baptist Church, a 137-year-old church with a rich history of community servitude, MZ Community Corporation's mission is to serve the residents of Newark, New Jersey and its surrounding communities in ways that contribute to societal wholeness and familial health as it relates to educational, physical, financial, and emotional needs.

As recipients of the Matthew 25 Grant, MZ Community Corporation Inc., desires to increase food distribution through Mount Zion Baptist Church's monthly free Food Pantry which exemplifies Deuteronomy **15:11** that says, "For the poor shall never cease out of the land: therefore I command thee, saying, Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy, in thy land". Currently, through this monthly outreach, Mount Zion serves over 1,200 people at no cost to recipients and with 85% of the individuals having no affiliation with the church. Many times the Food Pantry has been forced to close early because the food supply was depleted and those in need had to be turned away. The Matthew 25 grant would enable Mount Zion Baptist Church to be an even greater blessing to the community it has so faithfully served for decades.

The mission of MZCC is to serve the residents of Newark and its surrounding communities in ways that contribute to societal wholeness and familial health as it relates to educational, physical, financial, and emotional needs. It will seek to fulfill this purpose through educational opportunities, employment training, mental health support, life skills training, resource sharing, and recreational events.
