

ABF announces official launch of Strengthening Your Financial Future Program

VALLEY FORGE, PA (ABNS 6/7/13)—American Baptist Foundation (ABF) today announced the official launch of its **Strengthening Your Financial Future (SYFF)** Program. An initiative focused on the Foundation’s devotion to partnering with our American Baptist Ministries and individuals to develop and promote planned giving for the long-term sustainability of ministry and mission.

Through the **SYFF Program**, ABF is helping churches to develop a planned giving program in three major phases: **Vision, Communication and Celebration**. Begin this transformative process with a conversation with American Baptist Foundation.

- First, based on mission and vision, ABF works with ministry leadership to develop a ministry-sustaining pathway to build a legacy fund for their church,
- Then, ABF supplies guidance, education and resources to assist the church in achieving its goals.
- Finally, ABF provides professional **investment & endowment resources** along with planned giving administration services.
