### It is Your Opportunity to Be Heard

Every voice is important: you do not need to be a pastor or in a leadership role to participate! It is through the Mission Summit Conversations that our denominational priorities are focused on, paving the way for work to be done over the next two years.

The Biennial Mission Summit is when the American Baptist Churches USA as a whole determines where to focus our energy and efforts. It is important that the people who are on the front lines of ministry come and share the challenges their congregations are facing.

### Lots of Fun!

Mission Summit Conversations, Learning Opportunities, Bible Studies, reception events, special meals, and more are built into the Biennial Mission Summit schedule. There is even a Guinness World Record attempt on the agenda – come see what may well be the world's largest group of pastors riding bicycles at once!

Portland has many unique cultural attractions you will not want to miss. Come to the Biennial Mission Summit to have a great time with great people!
