### Connected to Each Other

### Connected to the World

*Worship featuring the ABCUSA General Secretary*

**Sunday morning, July 2, 2017**

The Sunday morning worship service will feature an invitation to the incoming General Secretary of American Baptist Churches USA to address American Baptists as he or she enters this new leadership role.

### Connected in Joy!

**Sunday evening, July 2, 2017**

Sunday evening will be a grand celebration of our connections as a family, recognizing American Baptists who have served for years and honoring American Baptist pastors who serve in the role at local churches each Sunday. The evening will culminate with a dramatic introduction to communion. The communion service itself will be led by the new General Secretary and the other members of the National Executive Council, as well as the President and Vice President of the Board of General Ministries of American Baptist Churches USA.

## NOT TO BE MISSED

There will be many events at the 2017 Biennial Mission Summit. Attendees are asked to pre-register for the following sessions when registering in order to allow planners and leaders to be prepared for space and material needs. These include the **Bible Study** sessions and **Mission Summit Conversations** on Saturday morning as well as the **Learning Opportunities** offered Saturday and Sunday afternoons. ## SPEAKERS

The **Rev. Sharon T. Koh**, executive director/CEO of American Baptist International Ministries, is a Los Angeles native and an American Baptist pastor. She graduated from Fuller Theological Seminary in Pasadena, CA with a M.Div. and a M.A.T., and served as a Mission Pastor for over

a decade. Her passion is facilitating God's mission around the world, and she cares deeply about missionaries and their families. Her hobbies include global travel, photography and enjoying the people and food of other cultures.

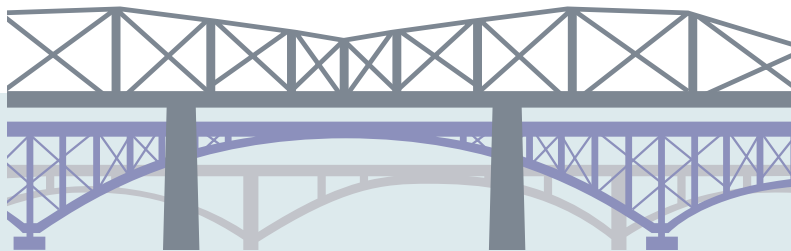

**Dr. Jeffrey Haggray**, executive director of American Baptist Home Mission Societies (ABHMS), has twenty years of experience pastoring American Baptist congregations, along with close to a decade leading a region of American Baptist Churches USA, which provides Haggray with a broad

perspective about ministry at the national level. At the heart of Dr. Haggray's ministry lies his passion for developing and implementing creative strategies that express God's love and God's concern for all people. That passion drives his leadership at ABHMS, as he works with national and regional American Baptist-related organizations—along with other diverse partners—to provide a clear vision of mission, cultivate relationships and develop resources for transformational ministry with congregations, communities and regions across the United States and Puerto Rico.

The incoming **General Secretary of American Baptist Churches USA** will be the featured speaker during the Sunday morning worship.

There will be two evening receptions, and all participants and delegates are invited to attend.

- Friday evening immediately following worship, there will be a Welcome Reception sponsored by ABCUSA Women in Ministry.
- Saturday evening, there will be a reception sponsored by the New Baptist Covenant following worship.
