Format

The REASON Behind The Redesign

The purpose of redesigning this form is clear and simple: We needed to make it easier for the ABC churches to submit their mission giving.

Now that you understand WHY
we reformatted this form, let's
see how it may impact your
work as a Receiving Unit...

American Baptist Churches USA

As you know, Receiving Units are responsible to work with the incoming *Church Mission Support* forms and enter them as new receipts into the *American Baptist Churches Information Systems* (ABCIS).
