BGM 485 RECONVENE BGM/C-TAC REPORT

Rev. Garth Brokaw is the ABCUSA representative for the Coalition for the Transformation of Advanced Illness Care (C-TAC). Garth gave an update from the 2019 National Summit on Advanced Illness Care that convened in Minneapolis, MN. C-TAC's mission is to improve the quality of care and determination of goals for care that affect the person, families, caregivers and healthcare providers by addressing the inclusion of spiritual care and social justice through recognition of persons' beliefs and values and to reduce the variations in the quality of advanced illness care, particularly for traditionally under-served and marginalized populations.

BGM 486 REPORT OF THE GENERAL SECRETARY

General Secretary Lee Spitzer talked about "the great work that the Region Executive Ministers are doing in the regions." Lee reflected on ABCUSA not having a building home when he first began his work as General Secretary to now having a new building and a new future as the Robert A. Roblee Building was dedicated the day prior. Also, when he began his time as General Secretary, Lee noted that there was no location named for the 2019 Biennial Mission Summit; whereas just this past summer, ABCUSA made history in Virginia Beach with the historical document that was printed in the newspaper. Not only did the Biennial location get named for 2019, the 2021 Biennial Mission Summit will be held in San Juan, Puerto Rico.

Over the past two years as General Secretary, Lee presented a pastoral vision and ministries of the Office of the General Secretary to unify the American Baptist family, strengthen the regions, and resource churches and pastors. This vision articulated the reason for the General Secretary and why the Office of the General Secretary (OGS) exists as it is "Uniquely the pastoral expression...we embrace the total family to be united people in the Kingdom of God." Lee expressed the privilege it has been for him to work with all of the OGS team.

Also in the past two years, Lee shared the prophetic voice of the office through Pastoral Letters in which he included national partners, Region Executive Ministers, and the board to share a perspective for a

coherent document. “God called us to be pastoral, prophetic, and apostolic.” Lee’s final ministry is the launching of the inaugural Hopevale Commemoration in December 2019 in conjunction with the Convention of Philippine Baptist Churches, International Ministries, the American Baptist Historical Society, Green Lake Conference Center, and the Office of the General Secretary.

Lee closed his report by thanking everyone for allowing him to live out his calling of God.

BGM 487 588 PROPERTY UPDATE

Because of the longer than anticipated time for the Purchaser to obtain the Upper Merion Township’s (UMT) site plan approval, which impacted its ability to obtain all of the other final and un-appealable approvals of the other public entitlements before closing, it will be necessary for the purchaser to exercise the extension option provision in the Purchaser Sale Agreement (PSA). The provision provides for three (3) 1-month extensions of the closing date for the consideration of \$100,000 per extension. The extension option amount is applied to the purchase price at closing if the transaction closes.

Subsequent to receiving the additional information, the Planning Commission approved the plan. The plan was presented to the UMT Board of Supervisors in August and received unanimous approval. PPG is now in the process of obtaining all of the other necessary public entitlement approvals which include, but are not limited to: water/sewerage; Department of Transportation; storm drainage; environmental; soil conversation; utilities; and other approvals.

BGM EC 488 REPORT OF THE BUDGET REVIEW OFFICER

YTD Financials/UM Funding Distribution

The year-to-date financials show a net loss of \$498,000 without the Biennial Mission Summit (BMS) and a net loss of \$663,000 including the BMS.

Net revenue compared to last year is up \$155,000. Expenses as compared to last year are higher by \$390,000. The increased expense in 2019 is primarily due to a full nine months of the IT department, which joined ABCUSA July 1, 2018. Also, Denominational Emphasis had a disbursement of \$208,000, which was offset by added revenue of \$208,000. This additional expense skewed the financials which showed a larger expense in 2019 than in 2018.

The following are the primary reasons for the net loss of \$663,485:

- Budgeted \$138,075 from the expected September 2019 Mission Center Sale Proceeds. Closing will be next year in 2020.
- Budgeted \$96,732 from reserves to fund the 2019 Budgeted deficit.
- Biennial Mission Summit deficit of \$175,000.
- Budgeted 2019 income from the Development Department is short \$130,000.
- Women in Ministry and Transitional Ministry departments have a combined loss of \$110,000.

The ABC Finance Committee recommended for approval by the board the proposed 2020 Distribution of the National Portion of United Mission.

VOTED: Motion Approved

Total United Mission (UM) is \$4,953,997. This is a decrease of \$186,144 from the prior year. This represents a reduction of 3.62%. However, ABCUSA's UM Distribution is down 16% from the prior year.

ABCUSA 2020 Budget Highlights include:

There is a need to continue drawing from the Building Proceeds Endowment at 5% to help balance the budget. Additionally \$130,000 (5%) is included in the budget expected from the 2020 proceeds from the sale of the Mission Center to cover the \$126,000 budget deficit for 2020.

The Development Department budget has a deficit of \$75,000. There is currently no department head although the budget shows full annual salaries and benefits expenses for the department head and minimum income. Expectations are that it will take some time for a new person in this role to generate enough income to cover the department expenses.

The BGM Executive Committee recommended to the Finance Committee to restructure the National Portion of United Mission. The 2020 proposed UM Distribution is in accordance with the recommendation by the Executive Committee. The UM funding allocated to ABCUSA is for American Baptist Churches Information Systems (ABCIS), Mission Resource Development, Representative Process, Orientation to American Baptist Life (OTABL), and ABCUSA General Funding. Total UM decreased by 5% in 2018 and is projected to decrease by 5% in 2019; as well as, in 2020 in accordance with the trend. UM Distribution for ABCUSA decreased by \$128,000 (6.57%) in 2018 and is projected to decrease by \$91,000 (5%) in 2019 while increasing by \$70,000 (4%) in 2020 using the recommended allocation.

Salaries in the proposed 2020 budget reflect a 1.7% increase. The data used is specific to non-profit organizations. Salaries increased by 2%, 1.9%, 2.23%, 2.17%, and 2.2%, in 2019, 2018, 2017, 2016, and 2015 respectively.

Medical costs for the 2020 budget are increasing by about 9%. Medical costs in 2019 increased by 15%, increased by 13% in 2018, and increased in 2017 by 9.9%.

The proposed United Mission distribution for 2020 was reviewed by the ABCUSA Finance Committee which consists of the BGM Finance Committee, one representative from American Baptist Home Mission Societies, who was not present, and one representative from International Ministries.

The ABCUSA Finance Committee recommends that the Board of General Ministries approve the proposed UM distribution for 2020.

VOTED: Recommendation Approved

ABCUSA Budget for 2020

The Budget is based on the 2020 UM Distribution recommended by the ABCUSA Finance Committee. UM provides approximately 38% of the ABCUSA budget. A 5% draw from the Building Proceeds Quasi-endowment fund provides another 23% of the budget.

The budget includes a salary increase of 1.7% and an increase in medical costs of 9%. Also a deficit for 2020 is expected of \$126,000. The Executive Committee advised staff to prepare the budget with the

expectation of using part of the proceeds of the building sale closing to cover the 2020 deficit, rather than investing those proceeds.

On December 10, 2019 the members of the BGM Executive Committee signed unanimous consent in lieu of meeting to make a correction to the Resolution on the United Mission Allocation for 2020.

RESOLVED, the prior resolution on the United Mission allocation for 2020, adopted by the Executive Committee by unanimous consent on November 22, 2019, shall be corrected to change the phrase “adopted by the Board of General Ministries on October 26, 2019” to read “adopted by the Board of General Ministries on November 9, 2019.”

RESOLVED, any officer of ABCUSA is authorized to execute such other agreements, certificates, consents, corporate papers and other documents, make such payments and take all other action that such officer and counsel for ABCUSA deem necessary or desirable to carry out the intent and purposes of the foregoing resolution; and any actions of such officers heretofore taken consistent with the intent and purposes of the foregoing resolutions are approved, ratified and confirmed.

The BGM Finance Committee recommends that the Board of General Ministries approve a 5% draw from the building quasi-endowment for 2020.

VOTED: Recommendation Approved

The BGM Finance Committee recommends that the Board of General Ministries adopt the proposed 2020 Estimated Income and ABCUSA Budget as presented

VOTED: Recommendation Approved

The BGM Finance Committee recommends that the Board of General Ministries approve the use of up to \$126,000 from the proceeds of the sale of the 588 N. Gulph Road property to cover the 2020 deficit.

VOTED: Recommendation Approved

The costs to maintain and sell the property at 588 N. Gulph Road has rendered a cash flow dilemma making it difficult to pay current bills.

The BGM Executive Committee made a motion to withdraw from the Building Proceeds Quasi-Endowment Fund an amount not to exceed our accumulated investments in and related expenses for the 588 N. Gulph Road property.

VOTED: Motion Approved

BGM 501 ACTION GROUP REPORTS

BGM Finance Committee Action Group:

The committee voted to again retain Tait Weller to perform the 2019 financial audit. There was a review of the legacies and gifts. The committee met with Perkin Simpson from the American Baptist Foundation (ABF) to discuss ABCUSA's investments with ABF. David Moore from ABHMS joined by video conference regarding ABCUSA's investments in the ABHMS Common Investment Fund. Both investment management organizations have ten-year returns that are better than the benchmark specified in our investment policy. Following Paul's earlier presentation to the board in which the \$174,000 loss from this year's Biennial Mission Summit was communicated, the committee received additional information from Alan Musoke regarding the primary sources of the loss. Concern was expressed about ensuring better controls and budgeting for the 2021 Biennial Mission Summit.

Beloved Community Action Group:

Camille Brown reminded everyone to stay after the June 2020 board meeting for the June 2020 Women's Conference/40th Anniversary at Green Lake. Judith Christiansen asked the board to keep the training and skills at the forefront of what the board does and asking the board to be open to different voices and opinions as the denomination moves through transition. On behalf of the committee, Judith requested (1) that the board set aside all of the first day board meeting to train the trainer to teach and share the training with the regions. (2) Let the churches and regions know about the "Golden Rule 2020" faith based call for dignity and respect in light of the 2020 elections. Resources are available on the ABCUSA website. (3) Renew the request to have a civility moment during each meeting.

Communicating ABC Identity:

Tasha Wilson shared suggestions from the committee to communicate ABC Identity at the Biennial Mission Summit in 2021. Such ideas included better utilizing of the program book and screen time before the worship services, include talking points for the BGM to assist; a map at the registration desk that highlights the regions and stickers for attendees to add to the map of their region; quotes from American Baptists, and a roving reporter to share stories.

Tasha also asked the board to think about the stories that are going on in their churches and regions and to share them with Bridget Lipin. It could be in the form of a 30 second clip or written in an email. An opportunity to "share and proclaim the light."

Committee on Christian Unity and Interfaith Relations (CCUIR):

June Totten thanked the CCUIR members and staff. The committee reviewed the Biennial Mission Summit activities and responses; as well as, shared reports on ecumenical and interfaith events. The committee reviewed the budget and financial commitments. Lastly, the committee nominated representatives to their ecumenical and interfaith partner organizations.
