In March, 2019, leaders of the Alliance met with denominational representatives of the Office of the General Secretary, American Baptist Home Mission Society, International Ministries, American Baptist Foundation to be updated on missions partner work, and to discuss the current activities and dreams of the Alliance. These meetings were very well received, and as a result, the Alliance entered into closer relationships with each of these entities.
2. In June, the Alliance held their annual Convocation at the Virginia Beach Biennial. Various denominational executives mingled with the Alliance constituency during the business meeting and at the dinner that followed.
3. Regional Activities - Alliance Regions are coordinated by Liaisons. The East Coast Region held a retreat in January, 2019, and met with Regional Executive Minister Miriam Mendez.
4. Language Group Activities - The Alliance has various language groups that connect as needed. The Korean group met and worked with regional executive staff Rev. David Hojin Yu; in August he led an American Baptist Partnership Trip to Korea.
5. Support for Asian American Women in Ministry - The Caucus is a strong supporter of women in ministry, and held a west coast retreat for Asian American women leaders in November, 2019. It was very well received.
