
ABCUSA Call to Prayer for Myanmar 2021

1. Pray that the situation does not come to a proxy war in Myanmar.
2. Pray that the people's bitterness and anger doesn't come to the stage of "Anarchy." This will be our loss completely.
3. Pray that the State Counselor Daw Aung San Sun Kyi, President U Win Myint and the leaders and the people arrested are healthy and will be released ASAP.
4. Pray that Myanmar will be free from this dictatorship and that it will be able to start a new nation free from injustice and military rule whatsoever, once and for all.

Prayer request submitted by Rev. Dr. Saw Ler Htoo, General Secretary of Karen Baptist Churches USA, Pastor of Calvary Burmese Baptist Church, Washington D.C.
