

GENERAL SECRETARY SEARCH COMMITTEE

The General Secretary Search Committee has met monthly since January. Over the course of eight months, we have utilized an online survey, focus groups, and in person presentations to solicit input from our American Baptist family. In reviewing the data collected we are comfortable that we are in a position to develop a first draft of a position description for our next General Secretary. A subcommittee has been tasked to develop that draft which will be reviewed by the full committee in October.

It is our hope that we will publish the position description and solicit applications in the first quarter of 2023.
