1	Perhaps pair me with a mentor to assist with navigating the system and ministry career development. Maybe have a mini-job fair in the exhibit hall for those seeking ministry calls or other jobs within ABC-USA.	7/20/2023 9:50 PM
2	Create space to talk about the current struggles of ABC in general and how we are working on them	7/20/2023 12:04 PM
3	Here's a couple of thoughts that might be useful 1. Possibly provided some opportunities to Engage with an overview of ABC USA via the Zoom and establishing interactions prior to the Biennial meeting. Clearly, there's a lot of work going on to bring this group together and in the busyness of this effort find out the interests of individuals of partner them with others or have them shadow others for a session throughout the weekend. 2. The opportunity to either monitor or serve as a room liaison during the sessions can open up additional stronger connections and building our strengths with leadership. 3. Any clarity about expenses will be helpful for planning resources, i.e. the daily per diem. Hope this information is helpful for any possible improvements on what was an outstanding event.	7/11/2023 11:38 AM
4	The panel with questions, though cute, was difficult to follow. "Speed dating" or something similar from table to table to ask our own questions and hear a 5-10 minute spiel would have been more helpful. There wasn't enough time to really engage with the information well.	7/10/2023 7:37 AM
5	Talked more about Ministelife.	7/6/2023 8:18 PM
6	During the portion on the panels (one with National staff and the other with REM's) it would have been nice to have us asking the questions rather than having a whole list of the hypothetical questions.	7/6/2023 7:17 PM
7	Perhaps instead of the game show and other ways of having organizations come and quickly share big overviews - split up into our tables more with not just a region executive but people from those different organizations to have more personal conversations with the organizations.	7/6/2023 3:25 PM
8	Not have musical groups performing at meal times. Could not have discussions at the table because music was overbearing & noisy. I wanted to talk more with people at the table rather than listen to more music.	7/1/2023 1:54 AM
9	I have hearing loss. The sound of the room with my hearing aids was hard. If there are headphones with the sound system in my language, that could have helped.	6/30/2023 12:50 PM
10	Allow more time to meet and greet with other attendees	6/29/2023 4:18 PM
11	Everything was so nicely organized. Maybe more down time offered, and perhaps when pairing roommate try from same state.	6/29/2023 12:27 AM
12	Adding the extra opportunities to gather to meet each other on Sunday was really helpful! I like the idea of staying with your table the whole time to get to know them better, but I wish I would have known that when I was picking my table on the first day so I wouldn't have sat with people I already knew.	6/27/2023 4:22 PM
13	A little more time to go out and discover the island for ourselves.	6/27/2023 11:19 AM
14	Focusing on the Gospel and ministru of Jesus, rather that fighting for rights. Obviously Jesus is a liberal in application of the Gospel	6/27/2023 10:47 AM
15	I can't think of anything.	6/27/2023 9:01 AM
16	Allow more time for participants to engage in a group	6/27/2023 2:05 AM
17	If a church or region is not an inclusive community make be intentional and offer a statement of warning so that discord is not sown. And that is a warning disclosure for both.	6/26/2023 12:38 PM

Engage 2023! Event Feedback

18	Keep us updates regarding the opportunities.	6/26/2023 11:19 AM
19	A mixer for engage participants to meet each other and to meet the regional representatives or a fun event to engage visitors with the local community	6/26/2023 10:53 AM
20	If a region has exclusionary practices please provide a statement of disclosure that autonomy is our right and that leadership will be the source of conflict resolution.	6/25/2023 10:53 AM
21	Have more time for table "Get to know you" and discussions.	6/24/2023 11:15 PM

Engage 2023! Event Feedback

18 Engage 2023 was well done, informative and wonderful. The subsidies and grants were such a huge blessing. Thank you very much to the donors and the team who put the whole program together. I know it's a lot of hard work; and I want to say I greatly appreciate the effort. Good bless you all richly!
