Nestled on the shores of Lake Michigan in the heart of the Midwest, uncover our wonderfully random city! You can stroll along the Riverwalk, experience hundreds of award-winning restaurants with local flair and international flavors, catch a show at one of our historic theaters, or take in an event at the country's most impressive arena: Fiserv Forum. You call it Milwaukee, we call it home.

Thanks so much for including Brew City and Hyatt Regency in your search for a home for the 2025 ABCUSA Mission Summit! Please take a moment to review the following proposal, and please keep in mind that our hotel is not currently holding guestrooms or function space for your event.

- **HAPPY DAYS (AND HAPPIER NIGHTS):** Event attendees can rest and relax in our spacious 300 square foot rooms, featuring large flat screen TV's with StayCast capabilities. This means that you can spend more time focusing on making your meeting a success, and less time worrying about your attendees' comfort.

As always, reach out if you have any questions, concerns, or if I need to sharpen my pencil to make our bid more competitive. Until then, our entire convention team will anxiously await word – we can't wait to open our doors to you and your guests!

Brewing up local fun in our big, little city on the lake!

Bitten by the Hospitality and Events bug while participating in the Disney College and Epcot Ambassador Programs, I knew providing excellent customer service and memorable events was my calling. A Wisconsinite at heart, I returned to Brew City. You'll find me exploring new and historic gems, at a concert, play, or cheering on my teams!
