## Young Adult Caucus Report 2023

It's a bittersweet feeling entering 2023, as I turned 41 years old and realized, I am truly no longer a young adult. I have been with the Young Adult Caucus since I 2008 when I was 26 years old and started on the then General Board. I was there in 2016 when we finally moved it from a caucus of the Board of General Ministries, to a Caucus of the denomination. I have attempted over the years since then to let go. Each time not able to fully extract myself before feeling pulled back into its leadership structure. My ability to give to the Young Adult Caucus however has waived especially in the last few years since leaving the Board in 2019. With COVID, growing children, and a career have all stood in the way of giving truly back to this denomination through Caucus work.

Over this last year, I have attempted, sometimes unsuccessfully to put the caucus in the front window to find new, fresh leaders for it's work. I participated in the Space for Grace in the fall of 2022 as a way of reconnecting with lay leaders, pastors and executive ministers. Then in April 2023, I was able to attend a weekend event at the LAMB hosted by ABHMS Intercultural Ministries. At this event I was able to continue the chance to network with other young leaders (clergy and laity) from the Caucus' work of our ethnic caucuses. I was able to meet folks, be in conversation and with the assistance of several find folks interested in this work. I reconnected with some of these individuals while in Puerto Rico for the Biennial Mission Summit. Renewing conversations for future planning and leadership handoff. However, home and career again stood in the way and now as I write this report, find myself finally trying to close the loop in a formal planning of handoff.

My goal in the next 3 months that 2023 provides us is to call this group together, or some group together of interested parties to start more formally passing the work of the caucus off. I will then participate in any fashion that that young adult groups wants/needs from me. Finding a way to say goodbye to my youth in the process. I am hopeful for raising up young adult voices as our mission priorities outline for this next biennium in a way that is fruitful for this denomination that I love.

In reporting the utilization of the \$8,000 provided to the Young Adult Caucus this year:

|   |            |
|---|------------|
| ABHMS Intercultural Ministries event (mileage, hotel)       | \$501.20   |
| Biennial Mission Summit event (Saturday evening, giveaways) | \$4,944.17 |
| Total Left for utilization in 2023                          | \$2,554.63 |
