## ABCUSA Call to Prayer for Myanmar 2021

---

Dear Heavenly Father,

I ask your mercy for the people of Myanmar. They are suffering and losing their lives in opposing the military coup. I pray to you to stand with them. Please, protect them and give them what they want for their country. I believe in you that you always stand with the righteous people and you destroy those who kill the lives of innocence. Please hear the voice and cry of the people of Myanmar.

And the same time, I ask your mercy on the refugees in Malaysia those who come from Myanmar. Now, 1200 detainees of Myanmar nationals are going to be deported back to Myanmar by the Myanmar navy ships. I ask you to have mercy on them. There are many more in the detention camps in Malaysia. You are the saver and be the saver again for them! Now, let the world and all countries that host refugees see your greatness and that refugees are chosen. Please, bless those who bless my people and open the eyes of the people those who hate refugees.

I believe in you that you hear my prayer and the miracles will be done soon.

I pray in the Name of Jesus!

Amen.
