A Prayer for Myanmar

Lord, hear our prayer that we shout loud our voice to You for Myanmar, for they are suffering from all abuses done by evil military detectors. Freedom, peace, and the rights of people are taken away. Lord, change the heart of these evil military detectors and remove all forms of oppression. Let freedom, justice, peace, and the rights of people flourish in Myanmar. We pray that the democratic leader, Her Excellency Daw Aung San Su Kyi, the president of Myanmar U Win Myint, and all the democratic leaders be released immediately from detaining by the military coup. We pray that your protection is upon the resistant who protest against the military coup. And be with the Civil Disobedience Movement (CDM) in Myanmar. We pray that your discernment will be followed through the CRPH (Committee Representing Pyidaungsu Hluttaw/Union Parliament). Pray for the church and Christians in Myanmar that they would know God's presence with them and always be ready to answer those who ask for a reason for the hope in them. Send your Spirit and mercy to the people of Myanmar, O Lord! That no matter what their ethnic background, their religion, their job, or their status, Your protection and mercy may prevail during this time of turmoil and chaos. We believe and pray that peace and justice win the day. All this we ask in the name of our Lord Jesus Christ, the Prince of Peace! Who bids us not to be afraid, and who lives and reigns! Amen
