
ABCUSA Call to Prayer for Myanmar 2021

1. Pray that the situation does not come to a proxy war in Myanmar.
2. Pray that the people's bitterness and anger doesn't come to the stage of "Anarchy." This will be our loss completely.
3. Pray that military will stop killing and arresting the peaceful protesters and release them as soon as possible.
4. Pray that Myanmar will be free from this dictatorship and be able to start a new nation free from injustice and military rule once and for all.
5. 5. Pray that ethnic people will get equally rights in Myanmar.

In Christ's Name
