Creation Justice Congregations Application

CHURCH INFORMATION

ABC Region: _____

Church Name: _____

Address: _____

Telephone: _____

Church Email: _____

Person completing the application: _____

Email: _____

What STAGE of the Creation Justice Congregations Program are you applying for:

How did you hear about the Creation Justice Congregations Program?

Does your congregation have a Green Team?

Have you connected/partnered with other churches/community organizations around creation justice?

Each of the three stages of the Creation Justice Congregations Program includes a list of suggested educational, worship, property/facilities, and outreach ministry action items that can help bring American Baptist congregations into the wider movement for peace, justice, and healing with all of God's creation. Which creation justice ministry actions have you embraced as a congregation for the stage you are applying for?

Are there other creation justice ministry actions has your congregation felt called to embody?

Please include any pictures you have of your creation justice ministry in action when you submit this application.

Please check this box to indicate you will attach photos along with the application.

In an effort to be eco-friendly, please submit your application to Tom Carr via email at psbcarr@aol.com.
