# A FUTURE WITH HOPE RESILIENT RESPONSES IN COVID-ERA MINISTRY

**Grief. Isolation. Financial stress. Racial injustice. Healthcare disparities.**

Life in an era of COVID-19 has taken its toll. Doing effective ministry in these times depends on leaders who are informed about the effects of trauma on self, congregation, and community.

Afternoon sessions include panel discussions on **Being Churches of Hope** and **Nurturing Resilience in Children & Youth**.

Join other ministry leaders on **May 24<sup>th</sup>** for an interactive gathering designed network and brainstorm responses to heal and restore a future with hope.
