COME TO PUERTO RICO! ¡VENGAN A PUERTO RICO!

ALL American Baptists are invited to attend the 2023 Biennial Mission Summit, to be held Friday, June 23 – Sunday, June 25, 2023 at the Puerto Rico Convention Center in San Juan, Puerto Rico.

Why come to Puerto Rico?

The Biennial Mission Summit is the American Baptist Churches USA (ABCUSA) national gathering held every two years.

Be represented – *your voice matters*. Send a delegate from your church to the 2023 Biennial Mission Summit!

The ABCUSA Biennial Mission Summit has three main purposes:

The first purpose is the “Mission Summit,” which is the opportunity that the event provides to American Baptists to come together, share ideas, and learn from one another what is working in the growth and vitality of our churches today. This occurs in a variety of ways, through workshops, hallway conversations, meal sessions and more. American Baptists can take away new information to their home churches, and try new tactics to be successful as churches within their community.

Second, the Biennial Mission Summit is a time of celebration. We gather to celebrate God’s work among us as an ABCUSA family, and this time together serves as a reunion where sisters and brothers in the faith reconnect, worship and learn together. These moments of celebration take place at the worship sessions throughout the event, and at the pre- and post-Biennial events of various ABCUSA related groups and organizations.

We also need to do the necessary business of our denomination which is the third purpose for gathering together. We elect the denomination’s officers (President, Vice President, Budget Review Officer) for the coming Biennium.

Ask your pastor about becoming a delegate to the American Baptist Churches USA biennial event.

Workshops will be held in English and Spanish. Translation for all sessions on the main stage will be available throughout the event.
